# INTRODUCTION

---

Vous trouverez dans ce guide les options standards pour la California.  
Les possibilités de personnalisation étant infinies, ce livret regroupe l'essentiel.  
Les options uniquement techniques ne sont pas représentées.

Les couleurs sont proposées à titre d'exemple, elles sont au plus proche de la réalité mais la pigmentation peut parfois varier.

Le choix de la couleur n'est pas limité aux échantillons présentés.

*In this guide you will find the standard options for the California.*

*The customization possibilities are endless, this booklet includes the essentials.*

*The purely technical options are not shown.*

*The colors are offered as examples, they are as close to reality as possible but the pigmentation can sometimes vary.*

*The choice of color is not limited to the samples presented.*
